**Students' Satisfaction Survey 2022-23**

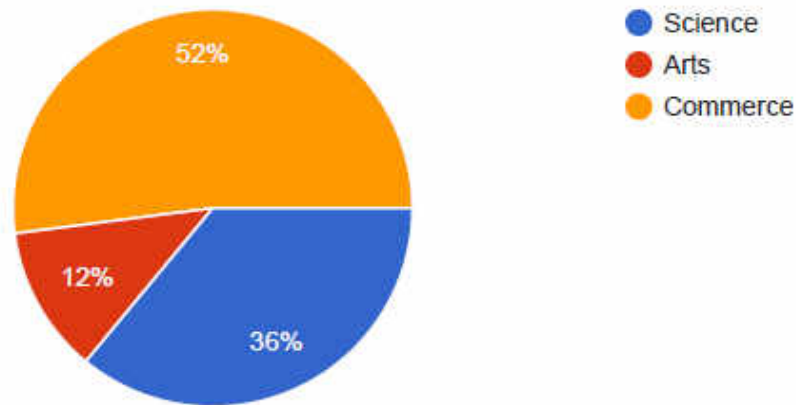

Students' Satisfaction Survey for the year 2022-23 has been conducted in online mode using a Google form. The link for ensuring students participation has been shared with the students through college website, SMS, WhatsApp and Telegram channel. This year 2300 students participated in the survey.

The form has been divided into two sections- First section includes primary details about faculty, gender, program offered and attendance of the students. The questions and response of the students in the form of the Pie chart is appended below.

- **Primary details :**

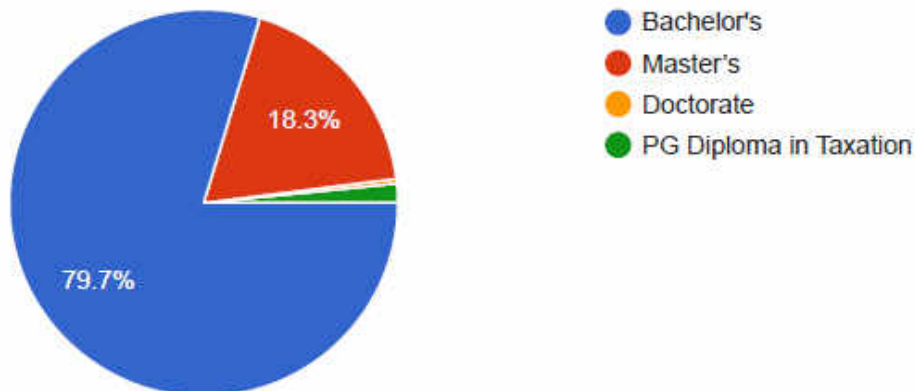

Choose your faculty:

2,300 responses

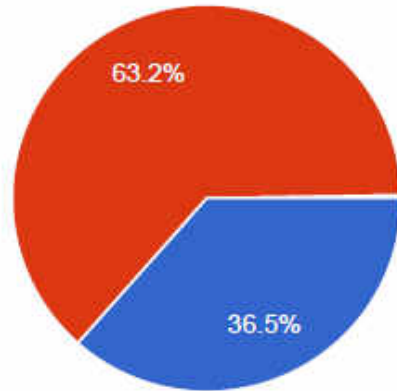

Which degree program are you pursuing ?

2,294 responses

## Gender

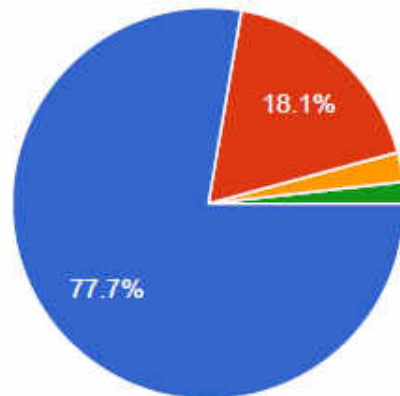

2,300 responses

- Male
- Female
- Transgender

## Your attendance during classes was about \_\_\_\_

2,300 responses

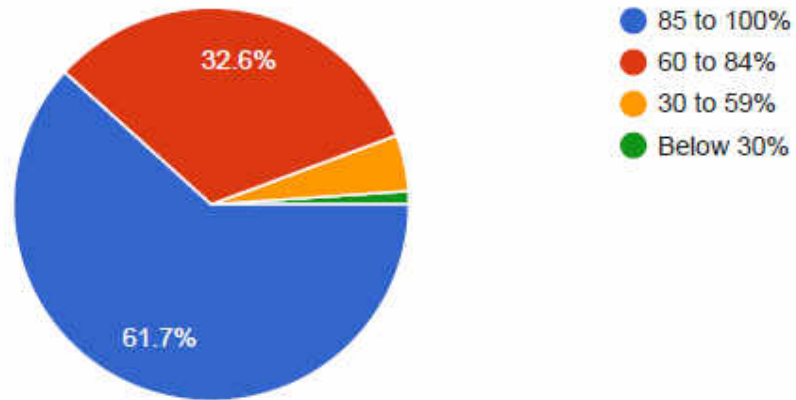

- Above 75%
- About 60%
- About 40%
- Below 30%

- **Students response in Students Satisfaction Survey :**

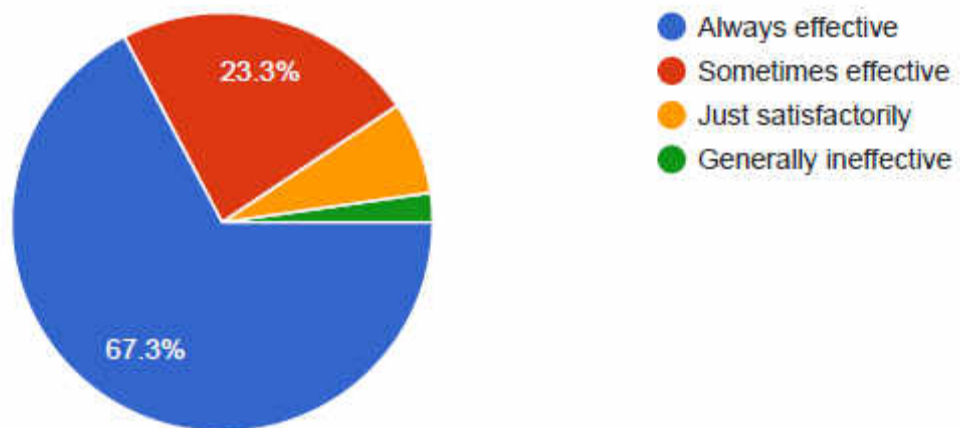

1. How much of the syllabus was covered in the class?

2,300 responses

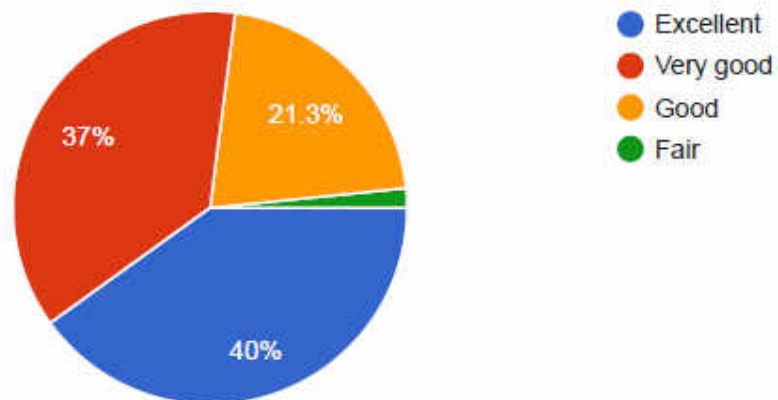

2. How well were the teachers able to communicate?

2,300 responses

2,300 responses

5. The institute takes active interest in promoting online internship and other academic opportunities for students.

2,300 responses

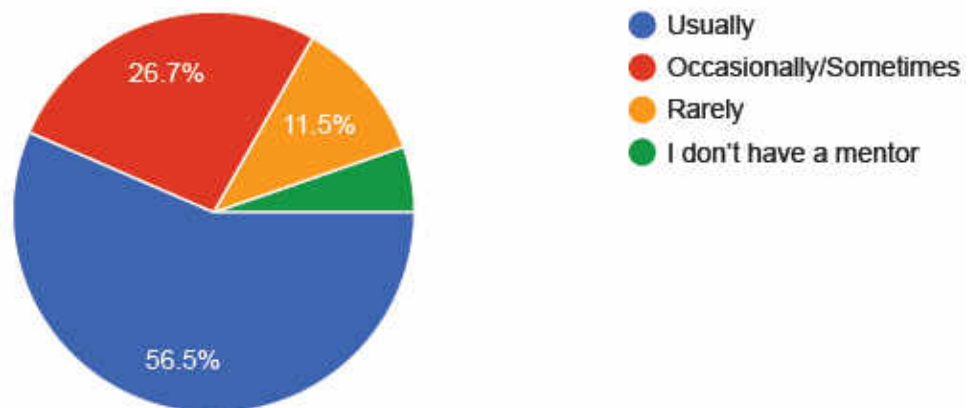

6. Teachers inform you about your expected competencies, course outcomes and programme outcomes.

2,300 responses

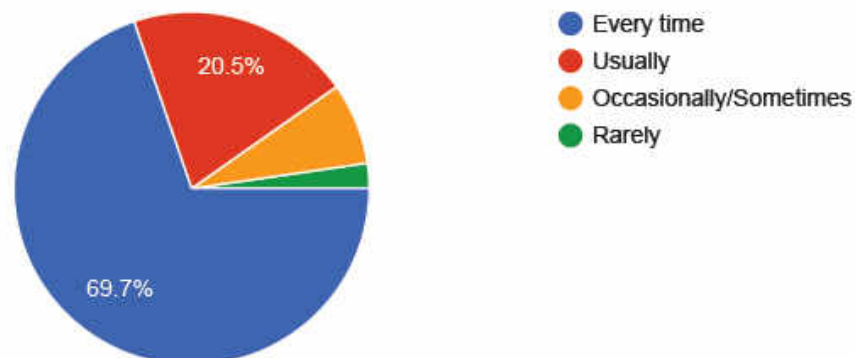

7. Your mentor does a necessary follow-up with an assigned task to you.

2,300 responses

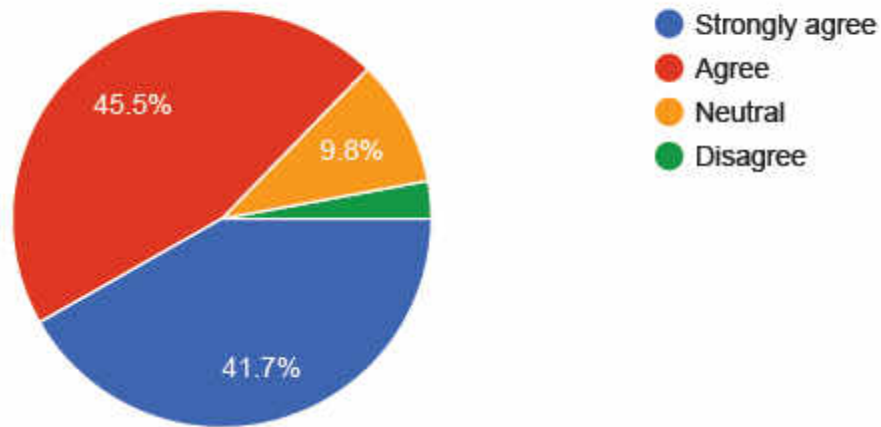

8. The teachers illustrate the concepts through examples and applications.

2,300 responses

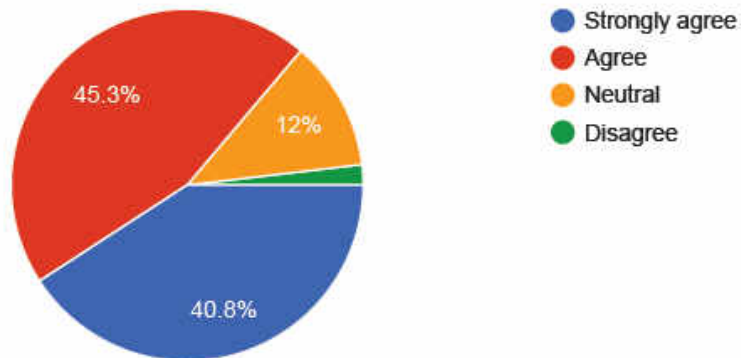

## 9. Teachers encourage you to participate in extracurricular activities.

2,300 responses

## 10. The overall quality of teaching-learning process in your institute is very good.

2,300 responses

There was one subjective question in the survey. The question was: 11. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

Out of 2300 students, 1028 students suggested some important suggestions. The gist of suggestions/ comments given by the students are:

1. Students expressed their satisfaction about overall Teaching- learning process of the college.
2. Teachers should make use of better graphics and visuals, multimedia etc.
3. Teachers should make additional effort to reach out each and every student. They should ensure dialogue with students and solve their doubts.
4. More emphasis on skill based learning and promoting entrepreneurial skills in the students
5. To conduct more test paper on syllabus to increase the writing speed in exam
6. It is expected to improve the mechanism of internal assessment.
7. Three books to be issued to PG students by library

### **Follow-up Action Plan for further improvement**

1. Procure necessary equipment for various laboratories as per requirement and strength.
2. Sign and execute MoUs for skill based education.
3. Moodle as LMS to be implemented from the session 2023-24.
4. Regular cleaning of classroom.
5. Plan the declaration of internal marks well in advance as part of academic calendar.
6. Decision has been made to issue three books to PG students by library. All PG and research students will be provided access to Nlist.
